Play Test Feedback

January 23, 2017

Feedback from John Overholt at ALA-Midwinter, Atlanta

Need a metric to start the game or round, maybe whoever most recently purchased a book

History is not directly related to game play

Send a copy of game to Rare Book School

Get other institutions to help pay for printing

Increase font size on books

What about different genres like mirrors for princes, conduct manuals, cookbooks, children's literature

Like the idea of having a long play option

Trade or lose turn as a chance option

Need to incentivize structure of debt

Require everyone to show book?

Similar to go fish

Maybe make color or genre indicated by a band across the bottom?
